Bremen is a city in Northern Germany (official name: Freie Hansestadt Bremen -Free Hanseatic City of Bremen), referring to its membership in the medieval Hanseatic League. It is a port city, situated along the river Weser, about 50 km south from its outflow into the North Sea. Bremen is one of two towns belonging to the state of Bremen, the other being Bremerhaven. Population: 545,983.

The transit authority in Bremen has 265 buses, 54 light-rail vehicles and transports more than a quarter million of passengers per day.
