- PROXmobil as check-in / check-out terminal
- The passenger’s smartcard will be charged only with the price for the actual journey taken
- Back-office system MOBILEvario
- Interface to internet-based card loading application.
- Data transfer via WLAN

Nottingham is a city in the East Midlands of England. The centre of Nottingham lies on the River Leen and its southern boundary follows the course of the River Trent, which flows from Stoke to the Humber. The Nottingham Urban Area has an estimated population of 666,358 (as of 2001).

Nottingham is bucking the national trend, as bus use in the city is growing and employment rates are rising. Trent Barton is one of the very small numbers of significant independent bus operators in the UK. The city has direct services to London, Birmingham, Manchester, Sheffield, Liverpool and Norwich.

INIT Products Employed

- EVENDsmart
- PROXmobil
- MOBILEvario
- MOBILE-PLAN basic
